CODE COMPLIANCE INSPECTOR

Southwest Illinois Greater St. Louis Metropolitan Area

On behalf of the City of Columbia and the Village of Shiloh located in Southwest Illinois in the Greater St. Louis metropolitan area, GovTemps USA seeks qualified candidates to fill the initial one-year position of Code Compliance Inspector.

Selected candidate will work an estimated 40-hour/week and be an employee of GovTemps USA with services provided to each community.

Primary Duties: Conducting occupancy inspections at time of purchase for commercial, residential and multi-family dwelling units, performing property maintenance inspections and providing assistance with building inspections to ensure compliance with applicable municipal codes and ordinances.

Position Requirements: Successful candidate must have ability to interpret and objectively apply applicable codes in a tactful but firm manner, and possess at least three years' experience in building construction and property maintenance enforcement.

Hourly Wage and Selection Process: \$20-\$23/hour. DOQ. Benefits include employer matched IRA retirement plan and optional health insurance. Apply by 1/3/2018 to GovHRUSA.com – Recruitment Category – Community Development. Candidates with questions are encouraged to contact Mike Earl, Senior VP, at 224-261-8366 or mearl@govhrusa.com
