DEPUTY DIRECTORS

Parks, Recreation and Neighborhood Services
Known as the “Capital of Silicon Valley,” the City of San José plays a vital economic and cultural role anchoring the world’s leading region of innovation. Encompassing 178 square miles at the southern tip of the San Francisco Bay, San José is Northern California’s largest city and the 10th largest city in the nation. With more than one million residents, San José is one of the most diverse large cities in the United States. San José’s transformation into a global innovation center has resulted in one of the largest concentrations of technology companies and expertise in the world, including major tech headquarters like Cisco, Adobe, Samsung, and eBay as well as startups and advanced manufacturing.

San José’s quality of life is unsurpassed. Surrounded by the Diablo and Santa Cruz mountain ranges and enjoying an average of 300 days of sunshine a year, residents have easy access to the beaches along the California coast including Santa Cruz, Monterey, and Carmel-by-the-Sea; Yosemite and Lake Tahoe in the Sierra Nevada; local and Napa Valley wine country, and the rich cultural and recreational life of the entire Bay region.

San José has received accolades for its vibrant neighborhoods, healthy lifestyle, and diverse attractions from national media including Business Week and Money magazines. The downtown area is home to high-rise residential projects, theaters, museums, and diverse entertainment attractions such as live music, live theater, cafes, restaurants, and nightclubs. Inquiring minds are served by the Tech Museum of Innovation, the San José Museum of Art, and many local galleries and venues. Nineteen public school districts and over 300 private and parochial schools provide residents with a range of educational choices. Universities in and near the city include San José State University, Santa Clara University, Stanford University, and three University of California campuses.

In 2011, the City adopted Envision San José 2040, a long-term growth plan that sets forth a vision and a comprehensive road map to guide the City’s anticipated growth through the year 2040. The Plan proactively directs significant anticipated growth in new homes and workplaces into transit-accessible, infill growth areas and supports evolution toward a more urban landscape and lifestyle. The San José area is powered by one of the most highly educated and productive populations in America. More than 40% of the workforce has a bachelor’s degree or higher, compared with 25% nationally. Forty percent of San José residents are foreign born, and 50% speak a language other than English at home.

San José is proud of its rich cultural diversity and global connections, and the essential role the City plays in connecting residents and businesses to the nation and the world.

THE CITY GOVERNMENT

The City of San José is a full-service Charter City and operates under a Council-Manager form of government. The City Council consists of 10 council members elected by district and a mayor elected at large. The City Manager, who reports to the Council, and the executive team provide strategic leadership that supports the policymaking role of the Mayor and the City Council and motivates and challenges the organization to deliver high quality services that meet the community’s needs. The City actively engages with members of the community through Council-appointed boards and commissions.

In addition to providing a full range of municipal services including police and fire, San José operates an airport, municipal water system, a regional wastewater treatment facility, over 209 neighborhood and regional parks, an accredited zoo, and a library system with 24 branches. The City also oversees convention, cultural, and hospitality facilities that include the San José McEnery Convention Center, Center for the Performing Arts, California Theater, Mexican Heritage Plaza, and the SAP Center San José – home of the National Hockey League’s San José Sharks.

City operations are supported by 6,592 positions and a total budget of $41 billion for the 2020-2021 fiscal year. San José is dedicated to maintaining the highest fiscal integrity and earning high credit ratings to ensure the consistent delivery of quality services to the community. Extensive information regarding San José can be found on the City’s website at www.sanjoseca.gov.

THE PARKS, RECREATION, AND NEIGHBORHOOD SERVICES DEPARTMENT

The City of San José’s Parks, Recreation and Neighborhood Services Department (PRNS) is proud to be “Building Community Through Fun” through innovative and high-quality programs and services. PRNS has a major presence in the community, advancing education, health, and social connections in striving to meet the diverse needs of the community across the lifespan by connecting people to places and people to people.

Within a collaborative and supportive environment, team members are encouraged to approach service delivery in creative and non-traditional ways to best meet the needs of an incredibly diverse population and position the organization as an industry leader in cultivating healthy communities through quality programs and dynamic public spaces.
The Department is supported by an annual budget of nearly $127 million and 742 FTE. Having one of the most unique service models of any agency of its type, PRNS consists of four major functional divisions:

- Recreation and Neighborhood Services
- Parks Operations and Maintenance
- Community Facilities Development (Capital Improvement)
- Strategic Support (Administrative Services)

Strategic support includes Budget and Fiscal Management Services, Employee Services, Park Planning and Development, Marketing and Public Information, and Contracting Services. In addition, the organization provides staff support to the Parks & Recreation, Senior Citizens, Neighborhoods, and Youth Commissions, as well as the Park Bond Citizen Oversight Committee.

Vision
Healthy Communities that Inspire Belonging

Mission
Connecting People through Parks, Recreation and Neighborhood Services for an Active San José

RECREATION AND NEIGHBORHOOD SERVICES (RNS)

RNS is supported by 322 FTE and an operating budget of approximately $43 million along with various other sources including capital, grants, revenue generation and other special funds. Services and programs are delivered through its ten Hub Community Centers, Grace and Bascom Community Centers as well as through neighborhood partner facilities which are operated in partnership with nonprofit organizations. Services include preschool; youth and adult based programming; school and after-school education and recreation based programming; sports leagues and classes; services for older adults including senior nutrition; fee based programs; fitness programs; preschool programs; aquatics programs; youth intervention; neighborhood development; anti-graffiti/anti-litter, therapeutics, special events and activations; and summer camps.

Reporting to the PRNS Director and Assistant Director, the Deputy Director for RNS and their management team are directly responsible for the strategic planning of RNS program development, service delivery and financial sustainability. The position oversees all day-to-day operations of the division, including budget and policy recommendations. The Deputy Director is also responsible for providing leadership in advancing division and or department-wide initiatives. The Deputy Director leads a team that includes two Division Managers and their direct reports, Recreation Superintendents, Analysts, and Recreation Supervisors in daily operations, coordination of a department-wide financial sustainability effort, and the development of innovative strategies for program growth and enhancement.

Guiding Principles

- **Stewardship:** We Take Care of What We Have and Invest In the Future
- **Nature:** We Protect, Preserve and Promote Natural Areas for All People
- **Equity & Access:** We Embrace People of Ages, Cultures and Abilities
- **Identity:** We Aim to be a Premier Parks, Recreation and Neighborhood Services System
- **Public Life:** We Promote Community Spaces for a Safe, Fun and Healthy San José

PARKS DIVISION (PARKS)

Parks is supported by 340 FTE and an operating budget of approximately $58 million along with various other sources including capital, grants, revenue generation and other special funds. Services and programs are delivered through its 199 neighborhood parks, ten regional parks and 62 miles of urban trail. Typical services include parks maintenance and operations; recreation and leisure programming; sports field management; fee based programs; summer camps, permits and reservations; Park Ranger program; watershed protection and resource management; golf management; capital infrastructure repair and rehabilitation; special events; Happy Hollow Park & Zoo; and, San José Family Camp at Yosemite.

Reporting to the PRNS Director and Assistant Director, the Deputy Director for Parks is responsible for the strategic planning, enhancing the overall effectiveness of the Parks Division. The Deputy Director has leadership of departmental operational service functions including operations and maintenance service delivery; minor capital work; division administrative support including hiring strategies and professional staff development; facilitating concerns/requests from the City Council, staff and the public; contract administration and Asset Management/ Business Intelligence (Bl) development and application.

The Deputy Director leads a team that includes 2 Division Managers and Park Managers and provides essential services to the Director and Assistant Director. Key services include coordination of Parks Division operations with other City departments, county, state and national agencies; working closely with partners such as foundations, conservancies, and other non-profit groups; providing assistance in the development of annual operating and capital improvement budgets, including revenue enhancement plans; planning, coordinating, and directing work programs and projects for the maintenance and construction of the City park system; investigating and responding to the more complex inquiries regarding parks service delivery methods; resolving technical and operational problems; and, overseeing the protection and preservation of regional parks, open space and watershed properties.
