

**City of Eastpointe, Michigan  
Economic Development Manager**

Eastpointe, MI (pop. 32, 442)—Eastpointe is a full-service community that offers an outstanding, unique, and dynamic urban experience with easy access to major metropolitan areas of 3.7 million people and an international airport. Eastpointe is known as a family-friendly town and serves as a gateway to Macomb County for urban dwellers wanting easy access to both urban and suburban living with nearby waterfronts. Eastpointe has numerous restaurants and shopping along its retail corridors, inclusive of a Downtown Development Authority district and an already approved Redevelopment Ready Certification.

The Economic Development Manager's position works out of the City Manager's office and is responsible for directing, coordinating, and packaging all economic development outcomes. The ideal person will be both flexible and highly accessible, working equally well in the office or from a laptop, to successfully execute the community's economic goals both in and out of the office.

Candidates are required to have:

- A Bachelor's Degree in Business Administration, Public Administration, Real Estate, Economic Development, Marketing, Communications, or closely related field; and
- Two years of progressively more responsible experience in economic development, or other like-professional experience.
- Ideal candidates will have a track record of effectively working with community partners with the highest level of transparency and trust. Individuals who think strategically, have the courage to be cutting-edge, and offer high-energy passion for downtown and economic development and redevelopment outcomes are encouraged to apply.

Salary is \$54,423–\$74,288, dependent on qualification and experience (DOQE). A comprehensive benefits package is provided.
